VidaGol is a non-profit Christian organization dedicated to empowering young people from diverse social and economic backgrounds to live abundant lives. We offer academic and vocational training, meaningful community, and sports opportunities—all within a global, faith-based context.

Cultural Opportunities

Expand the young person's horizons by providing opportunities through cultural experiences such as travel and interaction with people from other countries.

Sports

Offer opportunities for students to lead healthier lives through better nutrition and, primarily, through sports activities.

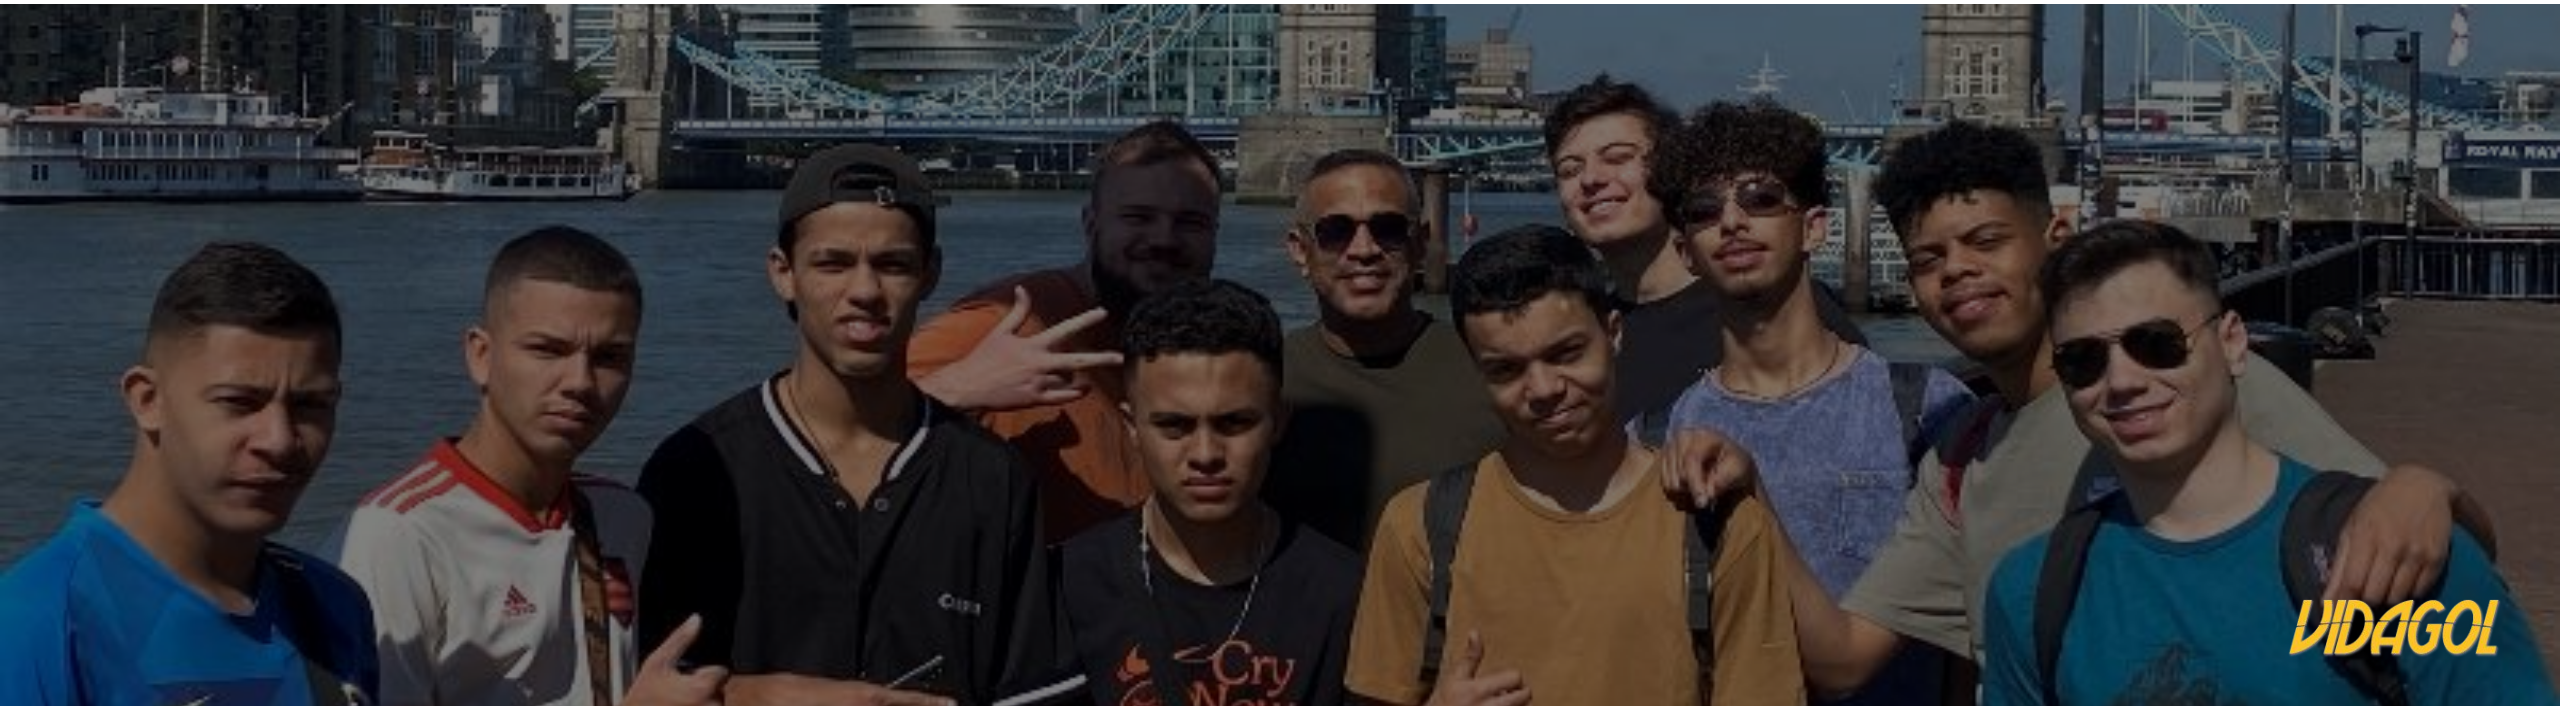

Education

Through personalized teaching, VidaGol aims to increase students' passion for learning and, furthermore, assist them in having real opportunities to enter university, both in Brazil and abroad.

Employment Opportunities

VidaGol seeks to offer students the opportunity to gain professional experience through short internships at partner companies.

In addition to the four previous pillars, at VidaGol, we also pursue what we call Comprehensive Learning, meaning: besides providing young people with individual human and Christian education with each one, assisting them to live balanced life.

High School I is a program designed for teenagers aged 15 and 16 who are enrolled in regular school, attending the 1st and 2nd years of High School, and who come to VidaGol three times a week, in the afternoon, from 2:45 PM to 5:00 PM. The goal of the program is to provide academic support in core subjects such as Math and Portuguese, offer deeper learning in English, and help students get to know more about Jesus.

DURATION: 1 or 2 YEARS

High School II is a program designed for 17-year-old teenagers who are enrolled in regular school, attending the 3rd year of High School, and who come to VidaGol from Monday to Friday, in the afternoon, from 2:45 PM to 5:00 PM. The goal of the program is to prepare these students for university entrance exams, especially the “Provão Paulista”, which offers spots at public universities such as USP. In addition, we offer spiritual growth and vocational discovery.

DURATION: 1 YEAR

Gap Year is a program designed for young people aged 18 to 20 who have already finished High School but have not yet started college or entered the job market. They attend VidaGol from Monday to Friday, from 8:00 AM to 5:00 PM. The goal of the program is to offer students the opportunity to discover their identity in the three main areas of life: personal, professional, and spiritual.

To support this journey, we offer university entrance exam preparation classes, career coaching with a professional, in-depth studies about who Jesus is, a complete English course, and classes focused on developing personal skills, such as theater and volunteer work with underprivileged children from the local community.

DURATION: 1 YEAR

SUPPORT PROPOSAL

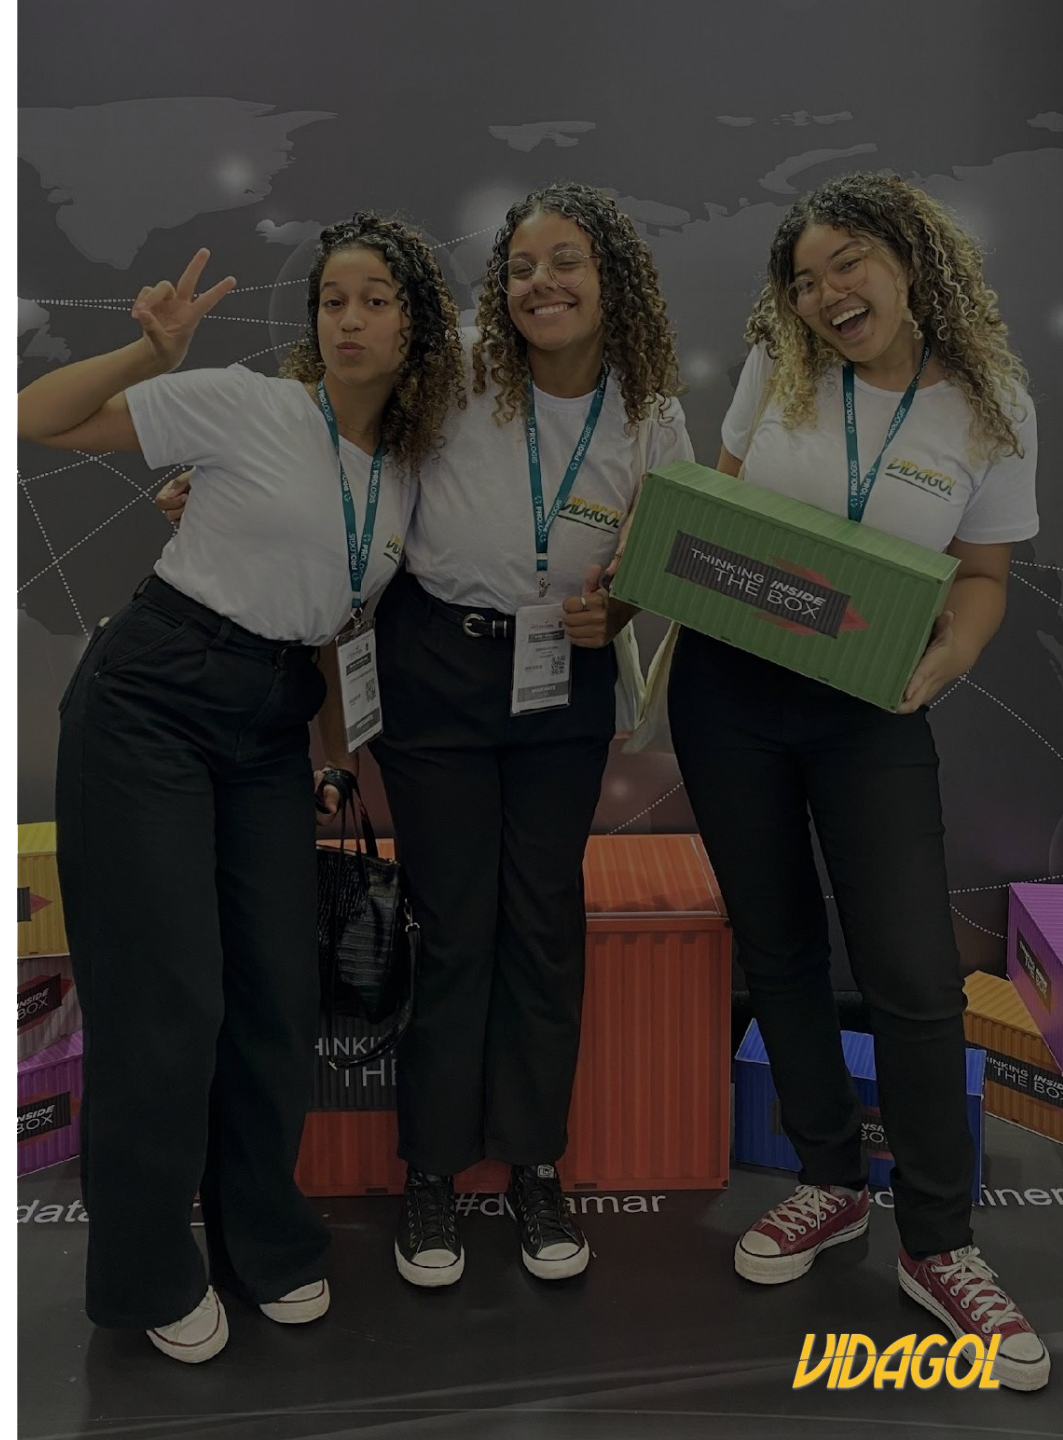

Gap Year students have the opportunity every year to take a mission and cultural trip to London, where they will be hosted at MannaHouse.

The goal is for them to share the love of Christ through volunteer actions and evangelism. **To achieve this, we need to raise \$18,000.** If you would like to help, we have two options:

Option 1: **FULLY SPONSOR A STUDENT** (donation of \$1,500)

Option 2: **DONATE ANY AMOUNT** that God places on your heart.

Donations are made through the website www.every.org/vidagol. **ALL DONATIONS ARE TAX DEDUCTIBLE IN THE USA!**

Jesus answered: “the most important is this: ‘Hear, O Israel: the Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ The second is this: ‘Love your neighbor as yourself.’ There is no commandment greater than these.”
